Investment objective

The fund aims to outperform the S&P/ASX300 Accumulation Index over a rolling five year period.

Investment strategy

The Australian Masters Equity Fund is designed to provide investors with access to a number of Australia's top fund managers, some of which are only accessible to high net worth investors, or are closed to new investors.

The current four underlying funds all have distinctively different methods of investing, providing exposure to the entire breadth of the market. They are highly transparent, 'long only' investors.
